

# Bayview High

## *High Stakes*

### Chapter 9: Like Father, Like Son

### Working with Words—Researching the Game of Poker

Authors write title chapters of a book to help you predict what might come next or to get your interest so you will read on.

Read the following chapter titles from *High Stakes* and tell what you think the titles mean. The titles can have more than one meaning. Tell whether it helped you predict what was coming next or whether it got you interested so you would read on.

Possible winning poker hands	Examples
One pair	Ten of hearts, ten of clubs
