Chapter 11: Zits

Working with Words—Idioms

An **idiom** is a common expression that does not mean what it says literally.
For example: to have the upper hand (has nothing to do with hands)

What do the following idioms mean?

packed with students _____

beaming at him _____

He was on fire! _____

I'm starving! _____

We kicked butt. _____

I was so pumped. _____

grinning from ear to ear _____
