Chapter 4: First Day of School

Working with Words—Language Use

Authors use language to set the tone for a text. Chapter Four opens with a sense of urgency because Anna sleeps in late.

Find eight words or phrases on pages 22 and 23 that indicate urgency:

For example:

- | | |
|--------------------|----|
| 1. leaped from bed | 2. |
| 3. | 4. |
| 5. | 6. |
| 7. | 8. |

Add four words of your own to indicate rushing:

1. _____
2. _____
3. _____
4. _____
