Chapter 6: Lunchtime

Working with Words—Menu Board

Create a school cafeteria menu board. You may want to use a sheet of black paper and coloured pencils or chalks to make it look like a deli menu board.

Use the following categories:

- Sandwiches
- Side dishes (onion rings, fries...)
- Burgers
- Vegetarian choices
- Salads
- Ice cream flavours
- Soups
- Desserts
- Beverages

Include the prices for each item.
