The Paper Chapter 17: The Scoop

Working with Words—Process Analysis

Lynn Stork puts a plan in place to get the story. All of the tasks can be analyzed or charted to show how her plan is to take place. What is the process for getting the story to print? Skim the text and complete the following chart adding as many boxes as you need to complete the arrest and story gathering process.

HINT: This is a good planning strategy for writing that involves sequencing of ideas or a process.
