The Paper

Chapter 2: Getting Back on Track

Working with Words—Hyphenated Compound Words

A compound word is made up of two words with no spaces between them, words connected with a hyphen, or words written as two separate words.

For example:

Two words together	classroom
Hyphenated	vice-principal
Two words	high school

Find five hyphenated compound words in Chapter 2.

1. _____
2. _____
3. _____
4. _____
5. _____
