***Striking Distance***  
**Chapter 4: Nice to Meet You**

## Working with Words—Cartoon Strip

Develop a visual representation of Chapter Four by drawing a four-to-six-frame comic strip to show the events.

HINTS: Draft a storyboard using the following framework.

- Use as many of the frames as you need to convey the meaning.
- Body language is just as important as text.
- Use speech balloons for text. Choose words carefully.
- Each word needs to carry meaning.

Title and Name of Cartoonist	1.
2.	3.
4.	5.

Once you are pleased with your draft, use your best artwork and script to draw your cartoon.
