## *Striking Distance* Chapter 6: Food for Thought

### Working with Words—Sentence Parts: Subject

The **subject** of a sentence is the part that names a person, place or thing. It tells **who** or **what** a sentence is about and includes nouns and/or pronouns.

For example:

**All of the people at the game** were cheering loudly.

Underline the **subjects** in the following sentences.

1. Alejandro decided to have poutine for lunch.
2. Mrs. Fletcher was not a great cook.
3. He hadn't expected to meet anyone Spanish-speaking.
4. Leo saw the look on Alejandro's face.
5. They talked about soccer for a while.

Expand each of the sentences above by adding descriptive phrases to each subject.

For example:

1. Alejandro, the Mexican exchange student, decided to have poutine for lunch.
