## *Taking the Lead* Chapter 17: 'Fess Up

### **Working with Words—Research**

Mrs. Haskins, the guidance counsellor, handed Autumn a piece of paper about cyber bullying. The paper described:

- cyber-bullying;
- the damage it can do to someone, and;
- how to take a stand.

Search the internet for anti-bullying websites to gather information.

Now write a one-page information sheet containing all of the information that Mrs. Haskins handed to Autumn.
