Taking the Lead
Chapter 20: Second Chances

Working with Words—Costume Design

Imagine that the musical *Sweet Carolina Blue* is set in the country. It could be the story of two farming or ranching young people.

Use your imagination to design costumes for both a male and a female actor.

Tips for costume design:

- Colourful
- Details can be seen from the back
- Comfortable
- Easy to move in
- Fits the script or the scene
