New Online Math Resource!
Based on Singapore Math pedagogy and teaching practices.

Concrete-Pictorial-Abstract
Scholastic PR1ME anchors students’ real-world concrete experiences to pictorial representations and abstract mathematical language. A spiral curriculum scaffolds new learning and develops deep understandings of math.

Key Digital Features:
• Online Student HUB: Includes core lessons tied to provincial curricula and extension lessons that scaffold for deeper understandings; two sets per grade
• Online Teacher HUB: Topic overviews, scope and sequence, lesson notes, and interactive student editions to use online and with IWBs
• Teacher Demo Videos: Demonstrate lessons for each unit in every grade (accessed through Teacher HUB)
• Supplementary Activities: Downloadable Assessment Evaluations and Practice pages

Over 1,100 Teacher videos! Each video includes ‘think alouds’ that model the Scholastic PR1ME pedagogy for the concept being taught.

Scholastic PR1ME Mathematics is available as an annual subscription. Price is $2,000/per school and includes complete access to all grades. Contact your Education Consultant for information on board-wide purchases.

Aligns with Canadian provincial curricula, including: Ontario, B.C., Alberta, and Nova Scotia
Program Components

The Online Student HUB includes core materials that help introduce and develop concepts and skills to mastery.

Each grade is made up of two digital teacher’s guide, available through the Online Teacher HUB. Comprehensive lesson plans and lesson notes are included to support student material.

The Interactive Edition enables teachers to show and hide answers in the online student material. Designed for use with interactive whiteboards or computers.

A Comprehensive and Proven Approach That Works!

- Teaches via problem solving
- Develops metacognition and mathematical thinking
- Is effective, measurable and diagnostic
- Incorporates professional learning into the curriculum framework
- Uses technology to deliver innovative instructional content
The Watch & Learn Library builds learning excitement through engaging online videos that provide background knowledge and vocabulary for reading comprehension success.

A library of hundreds of non-fiction videos with real-world footage build science, social studies and social-emotional knowledge.

Closed captioning for each video supports beginning readers.

12 general use Think Sheets set a purpose for learning. Short, fun, quizzes also included.

Great for ELL students!

Price is $500/per school. Contact your Education Consultant for information on board-wide purchases.
Scholastic F.I.R.S.T. actively personalizes each student’s path toward reading proficiency through an adventure on the magical world of Ooka Island.

Through a phonics game-based learning environment, students will learn some of the foundational skills needed to become confident readers.

Key Features of Scholastic F.I.R.S.T:

- Increase student proficiency in phonemic awareness, phonics, fluency, vocabulary, and comprehension
- Continuous formative assessment that plots a personalized path for each student
- Actionable reporting, delivered in real-time, at the student, class, school, or district level
- Anytime, anywhere, any device, 24/7 access

Scholastic F.I.R.S.T. is available as an annual subscription. Price is $10/per student. Contact your Education Consultant for information on board-wide purchases.
Shared eReading includes over 60 titles from Literacy Place for the Early Years, a trusted resource of Canadian teachers for over a decade. Full of interactive features and lessons to help teachers meet curriculum needs! Shared eReading creates a fun student experience with narration, music, sound, and animation.

Includes Big Books that are loved by teachers and students alike.
Canadian titles that offer diverse and interesting content for students in fiction and non-fiction formats.

Interactive features
The titles included in Shared eReading encourage student participation through reading or listening along. Teachers can highlight parts of the text as they read together. They can also use the text to help develop oral language skills and build phonemic awareness by decoding syllables, words, and rhymes.

Teaching Plan Included!
A Teaching Plan is included for every title that focuses on reading strategies and provides Before, During, and After Reading suggestions. These Shared Reading Teaching Plans offer the comprehensive teaching support from Literacy Place that teachers have come to rely on. Provincial and territory curriculum correlations are available.

Shared eReading is available as an annual subscription. Price is $300/per school. Contact your Education Consultant for information on board-wide purchases.
Build a love of reading and learning with paired fiction and non-fiction—online!

BookFlix is a remarkable online literacy resource that pairs classic, fictional video storybooks with top-quality, non-fiction eBooks to reinforce early reading skills and develop essential real-world knowledge and understanding.

With colourful animation, rich audio, interactive content, and more, BookFlix will engage every student in your classroom or library.

Watch the Story!

Video adaptations of classic children’s books will motivate beginning, reluctant, and ELL students—and enrich their interactions with books.

The Read Along feature highlights each word on the screen as it is narrated in the video, reinforcing early reading skills, including fluency, vocabulary, and comprehension.

Read the Book!

Paired with each video is a non-fiction eBook to build content-area knowledge and introduce real-world facts. Students can build vocabulary as key words are defined. A Read Aloud option allows students to listen to the book and see each word highlighted as it is read.

BookFlix also features:
- Educator resources
- Detailed lesson plans
- Interactive educational activities
- Author biographies
- Editorially selected links to websites

BookFlix is available as an annual subscription. Price is is $2/per student. Price is based on school population. Contact your Education Consultant for information on board-wide purchases.
TrueFlix uses content from the award-winning True Book series to help students build science and social studies knowledge, and cultivate 21st century skills through inquiry.

**Organized into Social Studies and Science Themes**

**People, Places, and History**
- Ancient Civilizations
- Continents
- Disasters

**Science and Nature**
- Ecosystems
- Human Body
- Experiments
- Space
- Extreme Nature

**Teacher Support**

- **Lesson Plan:** Every TrueFlix topic has a lesson plan with teaching ideas that are tied to content within the topic; the plan includes a discussion of the TrueFlix video, a review vocabulary words used in the flipbook, and provide a small-group activity based on the flip book and project idea.

- **Correlation:** Curriculum correlations for each province are available (to language arts and content areas).

TrueFlix is available as an annual subscription. Price is is $2/per student. Price is based on school population. Contact your Education Consultant for information on board-wide purchases.
ScienceFlix is transforming the way students access science topics, acquire scientific knowledge, and build a lasting interest in science, technology, and engineering.

It provides students with a better understanding of science concepts and ideas through hands-on projects, videos, multiple text types, and so much more.

30 exciting topics in six strands!

- **Videos** to build crucial background knowledge and introduce the topic
- **Anchor articles** to build content-area knowledge
- **Curriculum correlations** are available for all provinces.
- **Teacher resources** with lesson plans, rubrics, and more
- **Careers section** to inspire budding scientists
- **Dive-deeper articles** to encourage a deeper level of understanding

**ScienceFlix** offers more than 8,000 science-related assets in a variety of media across six areas of study:
- Earth Science
- Space Science
- Life Science
- Health & Human Body
- Physical Science
- Technology & Engineering

**ScienceFlix** is available as an annual subscription. Price is $2/per student. Price is based on school population. Contact your Education Consultant for information on board-wide purchases.
There are so many great books to choose from, including many of my Literacy Place favourites!

Find the Best Books for every student using search filters like age range, Guided Reading Level, reading skill and more

Easily Assign eBooks to the whole class or to individual students

Browse Collections of ebooks curated by interest and themes like Mystery, Space, and more

A levelled eBook library that meets students’ reading needs—in school and at home!

Literacy Pro Library has NEW enhanced features to help teachers implement literacy instruction, and independent reading and practice.

Key Features:

• Access over 1,000 specially curated and levelled eBooks that students want to read

• 150 NEW Interactive Read-aloud books to help teachers conduct read aloud sessions easily in class and remotely

• Independent reading practice for every learner with the unique NEW Read & Think feature

• Audio, pictorial support and read aloud features to help ELL and struggling readers

• Build Reading Confidence with books that match students’ targeted reading levels

Available as an annual subscription. Price is $2/student, with a minimum purchase of $50. Contact your Scholastic Education Consultant for board-wide purchases.
The best choice to measure reading comprehension and progress

**SOAR**
Grades 2–12

New dynamic reports, global proficiency benchmarks, and enhanced content and user experience.

This computer-adaptive program assesses student reading comprehension and provides **actionable real-time data** educators can use to:

- Monitor students’ reading progress over time
- Match students to books that deliver an appropriate level of challenge
- Craft instruction to meet individual and group goals and needs
- Allow students to change topics throughout the year

**How the Program Works**

1. Students take a 20-minute test 3–5 times a year to determine their Lexile reading level.
2. Students select reading topics that interest them.
3. Students choose books to read from personalized reading lists in their targeted Lexile range.

**SOAR is powered by the Lexile® Framework**
The Lexile test is a proven, computer-adaptive assessment, based on 30 years of research.

New dynamic reports, global proficiency benchmarks, and enhanced content and user experience.

Available as an annual subscription. Price is $10/ per student, with a minimum order of $150. Contact your Scholastic Education Consultant for information on board-wide purchases.
What good is getting hundreds of pages of returns if you have to spend hours sorting through them to find relevant, accurate content? The Scholastic GO! search engine sits on top of hundreds of thousands of verifiable content assets to make searching simple and learning authentic.

Search
Better search.
Better returns.

In an effort to best support Scholastic GO! users and the features they most utilize, Scholastic GO! has been completely re-imagined and re-engineered to have an increased focus on search and superior search return functionality. These upgrades are designed to minimize the time that both teachers and students spend searching, allowing more time for teaching and learning.

Return
Search by subject.
Explore by category.

The improved search function showcases enhanced delivery, organization, and presentation of articles, images, videos, websites, and more—for more efficient student research and discovery. Search results deliver all the relevant content—in every type of media and text type—in one clean, easy-to-navigate layout and can be filtered by reading level!

Learn

- **115,000 credible, accurate, and reliable articles** written by subject-area experts and professional editors.
- **Hundreds of videos** give visual learners a chance to build their background knowledge and familiarize themselves with the vocabulary they will encounter in the articles.
- **Career sidebars** offer quick fact guides on hundreds of professions.
- **Fact boxes, sidebars, and interactive maps** further support research and content area knowledge.
- **80,000 curated and editorially vetted websites** support further learning through additional credible sources.

Compatible with Tablets!

Scholastic GO! is available as an annual subscription. Price is $2/per student. Price is based on school population. Contact your Education Consultant for information on board-wide purchases.
Indigenous Advisory Team
We asked Indigenous educators across the country for advice and then brought together a team of 10 highly qualified and knowledgeable advisors to develop the resource. The advisors contributed articles, photographs, ideas, expertise, wisdom, and perspectives; they oversaw every aspect of the resource.

Cornelia Laliberte  Diane Jubinville  Jaime Battiste  Fibbie Tatti
April Waters  Colinda Clyne  Lowa Beebe  Brad Baker
Marilyn Maychak  Pamala Agawa  Jaime Battiste  Brad Baker

Take Action for Reconciliation and Passe a l’action pour la Réconciliation are available as digital-only subscriptions. Price is $500.00 EACH per school. Contact your Scholastic Education Consultant for more information.
