

Living Like a Refugee

by Reuben M. Koroma

Intro [spoken]

Verse

You left your country to seek refuge

In another man's land

You left your country to seek refuge

In another man's land

You will be confronted by strange dialects

And you will be fed with unusual diets

You've got to sleep in a tarpauline house

Which is so hot

You've got to sleep on a tarpauline mat

Which is so cold

O' we own time

Chorus

Living like a refugee is not easy

It's really not easy

Living like a refugee is not easy

O' we own time

Living like a refugee is not easy

It's really not easy

Living like a refugee is not easy
