

The cover features several teal-colored, hand-drawn star-like shapes scattered across the white background. These shapes vary in size and orientation, some appearing as simple four-pointed stars and others as more complex, multi-pointed starbursts. They are positioned around the central text, with some near the top and others near the bottom.

 SCHOLASTIC

August 10th

Is it too soon to tell Nick??
We've been going out for like four
months, although it feels like longer!

We decided
we're officially
boyfriends,

we've been
to Paris
together,

and we came
out to, like, the
whole school
year.

Me.
We're
dating.

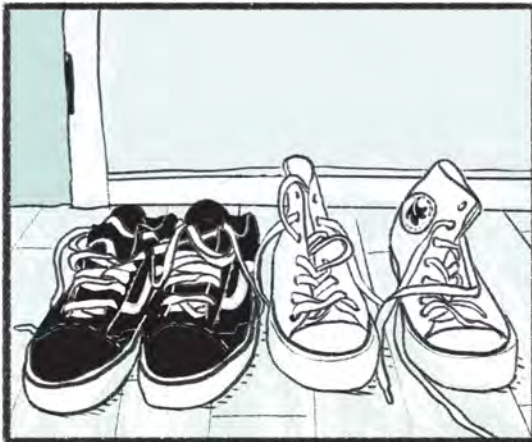

I even told him about my weird eating thing... even though I'm totally fine and he doesn't need to worry.

But should I tell him I love him?

What if he doesn't feel the same??

5. LOVE

Nick...

I love
you.

AUGUST

Um- I mean-
I'm in love
with you.

I...
just
wanted
you to
know.

And...
you
don't
have
to say
it back
yet...

or ever,
I guess?

I mean- I hope you
do say it one day
because I'm
properly in love
with you and
I hope you'll feel
the same way
eventually but
please don't feel
pressured to-

Why were you talking to yourself?

I wasn't!!

You were!! We heard you!

You were like

ooooooooh Nick I love you soooooooooo much

That's it. Tickle time.

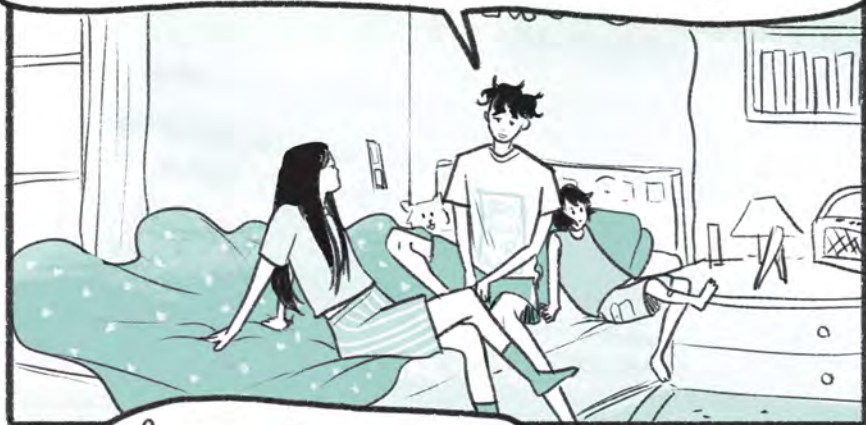

AAAAA Noooooo

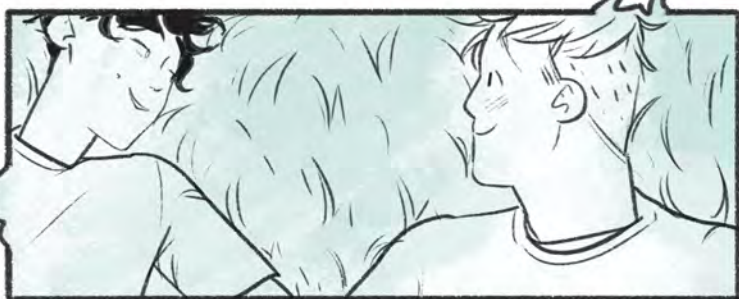

It's probably too early. And if he doesn't feel the same, it'll just make things weird.

You don't think he feels the same?

You've been hanging out all summer.

He's literally obsessed with you.

So... it's my last chance to tell him this summer.

If Nick joins our family then I'll have TWO big brothers and that's more than anyone in my class!

Charlie! Nick's here to pick you up!

Okay!
Just coming!

I'm driving you to the coast out of the goodness of my heart and this is the treatment I get-

Mum.

We're here!!

Thank God.
I'm about to
pee myself.

Elle!!

Don't
forget to
offer them
around!

I won't!
