Chapter 1

Before Breakfast

It really annoys me
when one gets into a
Total Mayhem Situation
before breakfast.

Which is *exactly* what
happened to me this
morning.

I had just poured myself a glass of walrus milk and was sitting down to my toasted cabbage when...

... my KB-15 started
flashing.

In case you didn't already
know, a KB-15 is a
Danger Warning Device.

Danger
was close!

Before I even got to the
front door, they were
inside the house.

Three

Mindreading- Scallywags

and a
Snarling
Jetpack-Hog.

Mindreading-Scallywags
are a super-dangerous
kind of scallywag,
because by reading your
mind, they know what
you're about to do.

This makes fighting them
rather difficult.

Snarling Jetpack-Hogs
don't need much
explaining.

They are hogs, with
jetpacks, that snarl.

They fly fast and are
vicious.

But this being a
Tuesday,
the *worst* day of the
week, I was prepared.
