Book design by Lisa Swerling & Ralph Lazar

It really annoys me when
one gets into a
Total Mayhem Situation
before breakfast.

Which is **almost** what
happened to me this
morning.

On Fridays I tend to have
deggs for breakfast.

As you know, there are
four main types of deggs:

[1] Fry
deggs

[2] Scramble
deggs

[3] Poach
deggs

[4] Boil
deggs

Of these, fry deggs are
my favorite.

You?

Anyway, I had just sat
down to a plate of deggs
and a glass of fresh
swamp juice...

...when my **KB-15** started
flashing red.

Danger was close!

Before I had time to do anything, the freezer door burst open.

Inside I could see **SEVEN scallywags**.

And they weren't just *any old scallywags*, they were
Ice-Scallywags!

This was serious.

Ice-Scallywags are small, but
very, very, **very**, very, very,
very, very, **VERY**, very, very,
 very, very, very, very,
very, very, very, very, very,
very, very, very, very, very,
 very, very, very,
very dangerous.

(And when something gets 28 verys from me, you
know it's serious. And there are 28 verys.
Count yourself if you don't believe me.)

I could say
I froze in shock.

But luckily I won't.

Because luckily
I didn't.

With lightning-quick
speed I deployed
Move #334
(Freezer-Door-Slam).
