BEST FRIENDS

I sat on my pink quilted bedspread,
holding a fluffy, pink cushion in front
of my face.

“Where’s Mimmy?” I asked in a
SINGSONG VOICE.

I pulled down the cushion and revealed
my tiny **TEACUP UNICORN.**

“There she is!” I sang, scooping her up into a **HUG**.

Every princess at the Royal School for Roblox Princesses received her very own **PET** to raise. The egg I had chosen had hatched into the cutest miniature unicorn with a rainbow mane. She was no bigger than a teddy bear and

wouldn't grow much larger. That was the thing about our school pet companions—they would all remain **TINY**, which was kind of great because there's no way I could have a unicorn the size of **A HORSE** in my bedroom.

"I think it's time for your nap," I said.

Mimmy huffed and stomped her little hoof.

"Oh, baby, it's OK," I said reassuringly.

"You won't miss out on anything, I promise! And after your nap, we can go and play with Dozy and Socks."

She **PERKED UP** at that thought. Dozy

belongs to my best friend, Kiara. He's a miniature sloth, and I'm sure he was happily taking his own nap right now. Naps are what he loves the most! Socks belongs to my other **BFF** at school, Melody. Socks is a tiny fox and is named after the black fur on his feet that make it look like he's wearing a pair of socks. Dozy, Mimmy, and Socks have become the best of friends.

I stroked Mimmy's soft rainbow mane as I carried her over to her little bed in the corner of my room. It was **PINK**—like almost everything in my bedroom—with a little satin pillow and a soft quilt. She nestled down and I tucked her in,

making sure her golden horn wasn't caught on the pillowcase.

Once her eyes had closed, I went over to my window, which looked out over the school grounds. It was a lazy Sunday afternoon, so we didn't have any classes. The sun was beginning to dip lower on the horizon, basking the magical school grounds in a **GOLDEN GLOW**.

“Eliana?” a voice said at my open door.

“**KIARA, COME IN!**” I said, waving for my friend to join me.

“I was thinking about taking Dozy for a **WALK** when he wakes up,” Kiara said.

“Would you and Mimmy like to join us?”

“For sure,” I said. “Mimmy’s just gone down for a nap, so perhaps in an hour?”

“I’m sure Dozy would be happy to keep sleeping in my room!” Kiara said, laughing. “Anything for more sleep! Can I hang out here while we wait for them to wake up?”
