Dav Pilkey's wildly popular Dog Man series appeals to readers of all ages and explores universally positive themes, including empathy, kindness, persistence, and the importance of being true to one's self.

#### About the Contributor(s)

When Dav Pilkey was a kid, he was diagnosed with ADHD and dyslexia. Dav was so disruptive in class that his teachers made him sit out in the hallway every day. Luckily, Dav loved to draw and make up stories. He spent his time in the hallway creating his own original comic books -- the very first adventures of Dog Man and Captain Underpants.

In college, Dav met a teacher who encouraged him to write and illustrate for kids. He took her advice and created his first book, *World War Won*, which won a national competition in 1986. Dav made many other books before being awarded the California Young Reader Medal for *Dog Breath* (1994) and the Caldecott Honor for *The Paperboy* (1996).

In 2002, Dav published his first full-length graphic novel for kids, called *The Adventures of Super Diaper Baby*. It was both a *USA Today* and *New York Times* bestseller. He has published more than seventy books for children, including the bestselling Dog Man and Cat Kid Comic Club graphic novels.

Dav's stories are semi-autobiographical and explore universal themes that celebrate friendship.

### Great Power, No Responsibility (Spider-Ham Original Graphic Novel)

by Steve Foxe, Shadia Amin  
Sep 28, 2021 Paperback, Trade \$11.99 CAD

Peter Porker, the Spectacular Spider-Ham (and breakout character from *Into the Spider-Verse*), arrives in this all-new, original graphic novel for younger readers!

Experience a laugh-out-loud day in the life of Spider-Ham! After long being derided by the citizens of New York, Spider-Ham has finally been recognized for his outsized contribution to the city's safety, and receives the key to the city from none other than the mayor (and, being a cartoon universe, the key actually unlocks New York City's political and financial institutions). Sure, it's just a publicity stunt for the beleaguered mayor--and yeah, maybe every single other super hero was busy that day -- but an award is an award!

Of course, Spider-Ham isn't paying attention to the fine print telling him he didn't actually get to keep the key, and he swings off without returning the highly coveted oversized object. The next day, when the mayor's office finally gets in touch to ask for the key back, Spider-Ham realizes he must have dropped it sometime in the last 24 hours. YIKES.

Now, our notoriously empty-headed hero must retrace his steps from the past day, following his own trail to discover where he dropped the key before it falls into villainous hands. Did he lose it during a rooftop chase with the Black Catfish? Drop it in the middle of a tussle with the Green Gobbler? Leave it behind while visiting Croctor Strange's magic mansion? Accidentally store it next to May Porker's vacuum cleaner? Who knows? You'll have to read to find out! But one thing's for sure -- Great Power, No Responsibility is an action-packed, hilarious adventure perfect for younger readers.

### Spider-Ham: Hollywood May-Ham

by Steve Foxe, Shadia Amin  
Oct 04, 2022 Paperback, Trade \$11.99 CAD

**Peter Porker, the Spectacular Spider-Ham hits the PIG time... in Hollywood!**

Legendary director Alfred Peacock has acquired the rights to bring Spider-Ham's spectacular story to the silver screen. There's only one, itsy-bitsy problem: Spider-Ham didn't sell those rights, and Peacock is getting the origin all wrong—making our hero out to be a monstrous menace! Once he catches wind of the perilous production, Peter Porker uses his Daily Beagle connections to secure on-set credentials, where he not so subtly tries to improve the film's depiction of his alter ego and fix all the "continuity errors" in the movie.

Behind the scenes, Porker soon discovers that some very shady characters are bankrolling the entire operation, in a bid to convince the residents of New York City that their porcine protector is a threat who must be eliminated. Now, Spider-Ham must face down an army of ninja production assistants and some truly shoddy CGI to prevent this box-office bomb from blowing up his reputation! Will everyone's favorite pig clear his name? Or is this porky protector headed for the cutting room floor?

# SUPA FLASH CARD MEMORY GAME

In *Dog Man: For Whom the Ball Rolls*, Li'l Petey and 80-HD use flash cards to teach Dog Man to focus on his friends instead of things like red balls!

This two-player game works like the classic game of Memory by having players find pairs of matching cards, but there's a catch. Whatever you do, don't get distracted by the red ball! If you find two red ball matches, it's game over for you—and the other player wins! Ready to give it a try?

## HERE'S HOW TO PLAY:

1. Cut out all of the flash cards below and on the following page.
2. Mix up the cards and place them facedown in three or four rows.
3. Turn over any two cards. If the cards match, keep them. If they don't match, put them back facedown. And remember: if you turn over two red balls, you're out—and the other player automatically wins.
4. The player with the most matches wins.
