Du chocolat chaud pour les grenouilles? Comment les animaux se réchauffent

Do Frogs Drink Hot Chocolate? How Animals Keep Warm

When winter arrives, animals living in cold environments need to cope to survive. Whether it's whales layering up with 12 inches of blubber, turtles burrowing into the mud to snooze and wait for spring, or emperor penguins coming together in a giant huddle, this book is full of fascinating tidbits about animal behaviour in winter.

Written in a question-and-answer format, this interactive non-fiction book encourages kids to predict the answers and shout them out. Playful phrasing and comic illustrations make the content engaging for readers, who will gain newfound knowledge and an early understanding of adaptations in nature.

ETTA KANER writes for both children and educators. A number of her books have won awards, namely, the Silver Birch award, the Animal Behaviour Society award, and the Science in Society book award. Etta lives in Toronto, Ontario.

JOHN MARTZ is a cartoonist and illustrator in Toronto, Ontario. His 2016 graphic novel for children, *A Cat Named Tim and Other Stories*, was shortlisted for the Governor General's Literary Award and was nominated for the Eisner Award for Best Publication for Early Readers.

Le prince et le chevalier

Prince & Knight

Once upon a time, in a kingdom far from here, there was a prince in line to take the throne, so his parents set out to find him a kind and worthy bride. The three of them traveled the land far and wide, but the prince didn't quite find what he was looking for in the princesses they met.

While they were away, a terrible dragon threatened their land, and all the soldiers fled. The prince rushed back to save his kingdom from the perilous beast and was met by a brave knight in a suit of brightly shining armour. Together they fought the dragon and discovered that special something the prince was looking for all along.

DANIEL HAACK has written for various publications and collections, and *Le prince et le chevalier* is his debut children's book. He currently works in children's educational media, for which he won a Daytime Emmy Award. Originally from Wisconsin, Daniel now lives in Los Angeles, California.

STEVIE LEWIS lives on the road, furthering her passion for climbing, art, and the outdoors. After working for four years in animation, she now illustrates children's books and creates art based on her travels. Stevie is the illustrator of *Moi, le Soleil*.

Le bon petit livre

The Good Little Book

While banished to a dusty study one day "to think things over", a boy pulls a book off a shelf and with great reluctance begins to read. As the afternoon passes, the story nabs him and carries him away. Before long, this good little book becomes his loyal companion, accompanying him everywhere... until, one day, the book is lost. Will this bad little boy get back his good little book? Will the good little book survive on its own without a proper jacket?

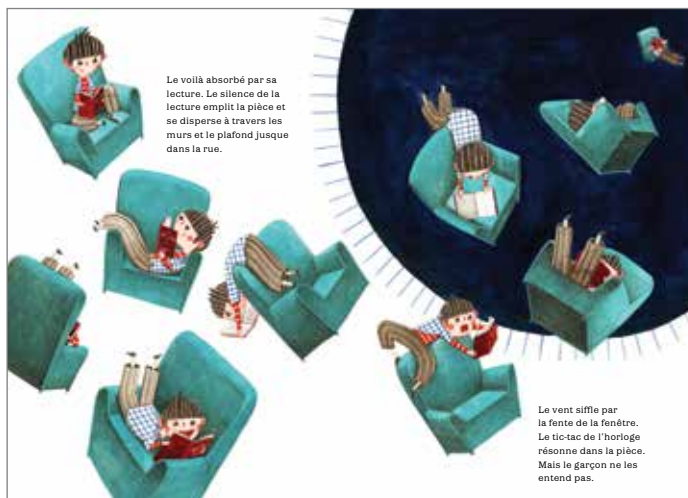

A quirky, enchanting tale of literary love and loss — and love found again — that will win the heart of even the most reluctant reader.

School Rules!

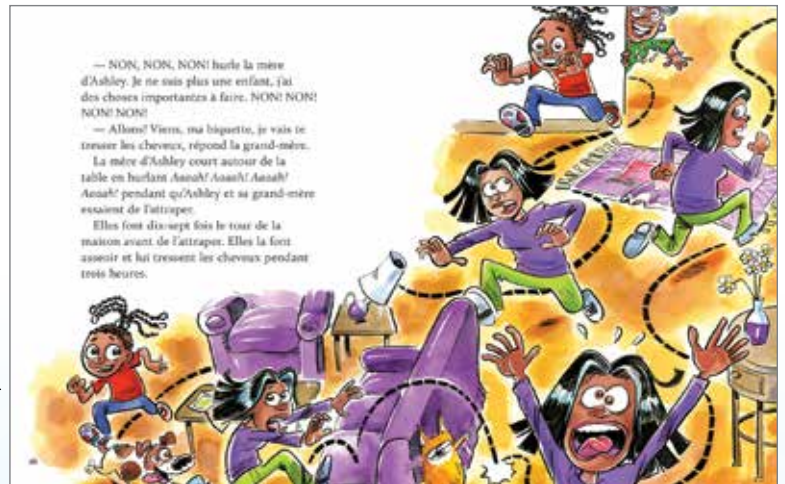

One Friday, Cassandra decides she is going to stay at school. She stays after the nice teacher leaves. She stays while the janitor with a tattoo mops the floors. She stays after the mean principal turns off all the lights and goes home. The following day, Cassandra gets up and puts her school clothes on. Her parents explain that it's Saturday and there is NO school on Saturday. Thankfully Cassandra has an idea that might just bring the school environment to her home...

Another laugh-out loud story that proves that determination can go a long way!

Voici Willie O'Ree

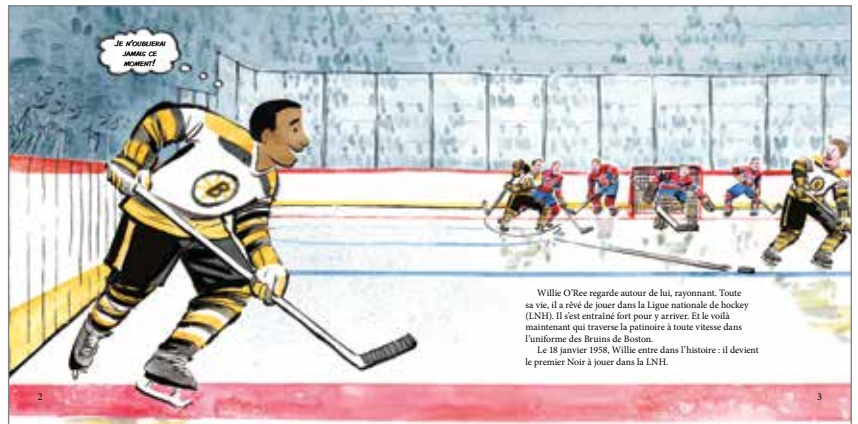

Meet Willie O'Ree

On January 18, 1958, Willie O'Ree made history when he suited up with the Boston Bruins against the Montreal Canadiens. O'Ree went on to play a total of 45 games with the Bruins, a remarkable achievement considering all he had to overcome to get there. He was often subjected to racism, bigotry and name-calling. He was blind in one eye — something he had to keep secret or he'd never play in the NHL. But thanks to his relentless positivity, perseverance and love of the game, Willie's time with the Bruins is only the beginning of his achievements in hockey.

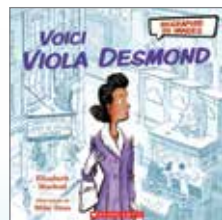

For the past twenty years he has served as the NHL's Director of Youth Development and was inducted into the Hockey Hall of Fame in 2018, among other achievements. He continues to inspire others on and off the ice.

ELIZABETH MACLEOD is the author of many notable Canadian non-fiction titles including *Bunny, cheval de guerre, Canada en vedette* (co-authored with Frieda Wishinsky), as well as many critically acclaimed biographies. She lives in Toronto, Ontario.

MIKE DEAS is an author-illustrator of graphic novels, most recently *Dalen and Gole: Scandal in Port Angus*. His love for illustrative storytelling comes from an early love of reading and drawing while growing up on Saltspring Island, British Columbia.

STEPHEN CURRY

WARRIORS DE GOLDEN STATE

Arrière
 Taille : 1,90 m
 Poids : 86,5 kg
 Né le 14 mars 1988,
 à Akron (Ohio)

La taille moyenne des joueurs de la NBA étant de 2,01 m, Stephen Curry, qui fait 1,90 m, est dans la catégorie des joueurs de basketball de petit gabarit. Cependant, la taille importe peu quand on est l'un des meilleurs pointeurs de l'histoire du basketball. Stephen Curry est le fils de Dell Curry, qui a joué pour les Raptors de Toronto entre 1999 et 2002. La famille habite à Eriolaoko, en Ontario, en 2001 et Stephen a passé sa huitième année au collège Queensway Christian. Il a mené son équipe de basketball à une saison sans défaite tout en portant les couleurs de l'équipe Toronto 5-0 qui disputait des matchs aux quatre coins de l'Ontario. Avec Stephen comme chef de file, le Toronto 5-0 a infligé aux Blues de Scarborough, qui alignaient les futures vedettes canadiennes de la NBA Kelly Olynyk et Cory Joseph, l'une de leurs rares défaites de la saison.

Lorsque le père de Stephen a pris sa retraite, la famille a déménagé en Caroline du Nord. Stephen a continué à s'améliorer et a fréquenté le Davidson College. À sa troisième année, en 2008-2009, il a maintenu une moyenne de 28,6 points par match, la plus élevée du basketball universitaire. Il a décidé de quitter l'école avant sa dernière saison et a été réclamé par les Warriors de Golden State au septième rang du repêchage de la NBA de 2009. Stephen a mis quelques années avant que ses qualités athlétiques uniques lui permettent de se démarquer au basketball professionnel.

Stephen a peaufiné son tir de la ligne de trois points. En fait, il est si bon qu'il a transformé le tir risqué à trois points en une offensive clé. Il a établi une nouvelle marque de la NBA en 2012-2013 en inscrivant 272 paniers de trois points, marque qu'il a améliorée en 2014-2015 avec 286 paniers de trois points. Durant la même saison, Stephen a mené Golden State au championnat de la NBA et a été proclamé joueur le plus utile à son équipe.

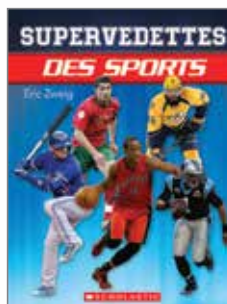

Il a fait encore mieux en 2015-2016 et a battu son propre record avec 402 paniers de trois points et une moyenne de 30,1 points par match, un sommet dans la NBA. Golden State a gagné plus de matchs que toute autre équipe dans l'histoire de la ligue avec un dossier de 73-9, mené par un Stephen qui rien ne pouvait arrêter. Il a amélioré la saison 2016-2017 en battant son propre record et a inscrit 13 paniers à trois points en un seul match, menant une fois de plus son équipe à la victoire.

En bref : En 2015-2016, Stephen Curry est devenu le meilleur joueur de la ligue à marquer par derrière et le plus rapide à avoir inscrit le plus de points à son équipe pendant deux années consécutives.

Faire des amis : N° 2 - Le clone parfait

Making Friends #2: Back to the Drawing Board

Dany creates a magical duplicate of herself to help with homework and making friends, but it gets complicated when they accidentally let loose a Hinn (sort of like a genie, only it doesn't grant wishes!). And with the big school dance coming up, time is running out to set things right in the town. But when Dany's high school bully, Nick Maloney, befriends the Hinn and shows up at the dance using its magical powers to control the evening, the only thing left to do is save the day! Sigh . . . Again.

Dear Boy,

Paris Rosenthal teams up with her father, Jason Rosenthal, to bring you the heartwarming and inspirational *Cher garçon*.

Cher garçon, is an open love letter to the special boy in your life. Boys, too, need a gentle reminder that they are cool, clever, compassionate, and one of a kind.

With the same tenderness as *Chère fille*, Paris and Jason's charming text and Holly Hatam's stunning illustrations will make any boy reading this book feel that he's amazing just the way he is — whether he's offering a helping hand, singing in a choir, or reaching for the stars!

PARIS ROSENTHAL attends Quest University, a liberal arts school near Vancouver in British Columbia. She was the first woman in her high school to play on the men's basketball team, and she started a cancer support group at her college. JASON ROSENTHAL is a dad, a lawyer, a yogi, and an artist, and *Cher garçon*, is his first book. He delivered a TED Talk about moving through the loss of his wife of twenty-six years, Amy Krouse Rosenthal. Boucles d'Or et les trois ours

Boucle d'Or arrive près de la maison des trois ours.
Elle frappe à la porte, mais n'entend aucune réponse.

En arrivant, Boucle d'Or voit trois bols de soupe.
Elle goûte une cuillerée de chaque bol.
La soupe du grand bol est trop chaude.
La soupe du moyen bol est trop salée.
La soupe du petit bol est parfaite,
donc elle la mange toute entière.

Ensuite, elle aperçoit trois chaises.
Boucle d'Or s'assoit dans chaque chaise.
La grande chaise est trop haute.
La chaise moyenne est trop bancale.
La petite chaise est parfaite,
mais Boucle d'Or la casse.

Puis, Boucle d'Or voit trois lits.
Elle s'étend dans chaque lit.
Le grand lit est trop dur.
Le lit moyen est trop mou.
Le petit lit est parfait,
donc Boucle d'Or s'endort.

N° 8 - L'œil du dragon

#8: The Dragon's Eye

Conor, Abéké, Meilin, and Rollan are prisoners. Framed for a crime they didn't commit, the four young Greencloaks have been captured by the ruthless Oathbound.

Rather than facing trial with the rest of their order, the friends and their spirit animals find themselves smuggled to a remote palace. There they discover that the plot against them runs deeper — and is far more sinister — than anyone realized. Someone has been manipulating both the Greencloaks and Erdas's leaders, all to uncover a powerful relic with the potential to flood the entire world.

To stop this conspiracy, the Heroes of Erdas will need absolute faith in their spirit animals. If they fail, all of Erdas will drown.

P.K. Subban

From his earliest days, P.K. (short for Pernell-Karl) has been a force! He comes from a family dedicated to hard work and fun; a family not afraid to take chances. *Biographie-BD-Hockey* traces his journey, from his time as an Atom to his time on Team Canada, when he won Olympic gold, and then all the way to the NHL and his exciting Stanley Cup runs with the Predators.

This book also highlights Subban's commitment to important causes. His support for the Montreal Children's Hospital and other children's charities has made Subban a hero off the ice.

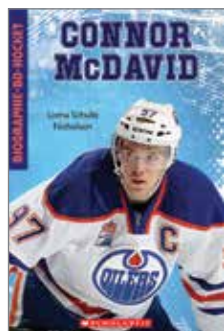

LORNA SCHULTZ NICHOLSON grew up in St. Catharines, Ontario, and as a child loved to read, write and compete in all kinds of sports. She is the respected author of many middle grade and YA novels, the *Puckster* picture book series and several non-fiction books about hockey. Lorna lives in Edmonton, Alberta with her family.

D.A. BISHOP always wanted to make comics... and now he does! He was born in Montreal, and now resides in Pickering, Ontario. He has recently illustrated for the Chapterhouse series *True Patriot Presents* and writes and draws his own comic series, *Of Stone*.

La sorcière secrète

La sorcière du solstice

The Midwinter Witch

Aster can't wait for the Midwinter Festival, where all the magical families gather for a competition and a happy reunion. This year, he wants to compete as a witch instead of a shapeshifter — but he's not sure he can find the courage.

Without a family to call her own, Ariel is tagging along to the festival with the Vanissens. She thinks the whole thing is silly... until she decides to enter the tournament herself. Now the beloved tradition is fraught with conflict, and no one knows who to trust — least of all the mysterious witch who shows up out of nowhere saying she's Ariel's aunt.

The acclaimed world created in *Le garçon sorcière* and *La sorcière secrète* comes to a thrilling conclusion in this powerful graphic novel by rising star Molly Knox Ostertag.

MOLLY KNOX OSTERTAG grew up in the forests of upstate New York, where she spent the first half of her childhood reading about fantastical adventures and the second half acting them out. She currently lives in California and graduated in 2014 from the School of Visual Arts, where she studied cartooning and illustration. She is the creator of *Le garçon sorcière*, a 2018 Bédély Award Winner, and its sequel, *La sorcière secrète*. Molly lives in Los Angeles.

Lance les dés, Soleil!

Sunny Rolls the Dice

Soleil just made it to middle school... and it's making her life very confusing. All her best friend Deb wants to talk about is fashion, boys, makeup, and being cool. Soleil's not against any of these things, but she also doesn't understand why suddenly everything revolves around them. She's much more comfortable when she's in her basement, playing Dungeons & Dragons with a bunch of new friends. Because when you're swordfighting and spider-slaying, it's hard to worry about whether you look cool or not. Especially when it's your turn to roll the 20-sided die. Trying hard to be cool can make you feel really uncool... and it's much more fun to just have fun. Soleil's going to find her groove and her own kind of groovy, with plenty of laughs along the way.

JENNIFER L. HOLM is a *New York Times* bestselling children's author and the recipient of three Newbery Honors. Jennifer collaborates with her brother, Matthew, on two series — the popular *Mini-Souris* series and the bestselling *Squish*. She lives in California.

MATTHEW HOLM grew up reading comic books and comic strip collections (including *Peanuts*, *Calvin and Hobbes*, and *Bloom County*). In addition to being the co-creator of the award-winning *Mini-Souris* series, he is also a Consulting Creative Director for Hot Knife Design, Inc. Matthew lives in Portland, Oregon.

Wish is a touching story about the power of kindness and the magic of friendship, with beautiful and emotive illustrations from Chris Saunders.

Moi, la Lune : Meilleure amie de la Terre

Moon! Earth's Best Friend

Meet Moon! She's more than just a rock — she's Earth's rock, her best friend she can always count on. Moon never turns her back on her friend (literally: she's always facing Earth with the same side!). These two will stick together forever.

With characteristic humour and charm, Stacy McAnulty channels the voice of Moon in this next celestial "autobiography". Rich with kid-friendly facts and beautifully brought to life by Stevie Lewis, this is an equally charming and irresistible companion to *Moi, le Soleil* and *Moi, la Terre*.

STACY MCANULTY is the gummy-worm-eating, coffee-guzzling, zillion-ideas-a-minute children's book author of *Les jolies filles* et *Les petits héros*. She lives in Kernersville, North Carolina.

STEVIE LEWIS lives on the road, furthering her passion for climbing, art, and the outdoors. After working for four years in animation, she now illustrates children's books and creates art based on her travels.

★ PRAISE FOR *MOI, LA TERRE*

Ne dis rien à l'ennemi

Don't Tell the Enemy

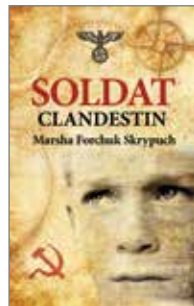

During the Soviet occupation of Ukraine during World War II, some of Krystia's family are harrassed; others are arrested and killed. When the Nazis liberate the town, they are welcomed with open arms. Krystia's best friend Dolik isn't so sure. His family is Jewish and there are rumours that the Nazis might be even more brutal than the Soviets.

Shortly after the Nazis arrive, they discover a mass grave of Soviet prisoners and blame the slaughter on the Jews. Soon, the Nazis establish ghettos and begin public executions of Jews.

Krystia can't bear to see her friends suffering and begins smuggling food into the ghetto. When rumours circulate that the ghetto will be evacuated and the Jews will be exterminated, Krystia must decide if she's willing to risk her own family's safety to save her friends.

MARSHA FORCHUK SKRYPUCH is the author of more than a dozen books, including *Cher Journal : Prisonniers de la grande forêt*, *Enfant volée*, *Soldat clandestin* and *Faire des bombes pour Hitler*. She has won many awards for her work and is one of Canada's most respected authors of historical fiction for young people. Much of Marsha's writing focuses on stories from her Ukrainian heritage, and she has been and presented with the Order of Princess Olga by the President of Ukraine and named a Canadian Ukrainian Woman of Distinction. L'ours qui aimait les arbres

Big Bear Hug

Welcome to the world of *L'ours qui aimait les arbres*, a contemporary fable about a bear who has an appetite for hugging everything in sight — even creatures that bears have been known to eat. One day, the benevolent bear meets up with a human. This human proceeds to do something the bear cannot understand: he raises his axe and begins to cut down a tree. Suddenly the bear doesn't feel like hugging anymore and must make a difficult decision on how to stop this destruction in his forest.

Moi et mes émotions

What's Going On Inside My Head?

We all know that healthy minds are really important, but how do we make sure we look after our mental health from a very young age? This book explores practical ways we can keep our minds in good shape as well as our bodies.

By talking about positive self-image, emotional intelligence, relationships and mindfulness, children will learn to develop healthy habits and good coping strategies from the start. Presented in a warm, child-friendly way, *Moi et mes émotions* will help establish solid foundations for every child's current and future well-being.

MOLLY POTTER taught for 11 years in middle schools. She then worked for several years as a Sex and Relationship Education Development Manager, delivering teacher training and supporting primary schools in the development of their programs and policies. Molly now works as a teacher in a short-stay school with children that have been or are at risk of being excluded from mainstream schools.

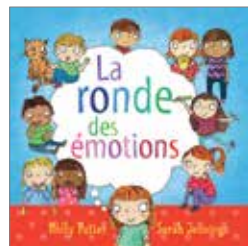

SARAH JENNINGS is a freelance illustrator and sketchbook scribbler based in the United Kingdom.

Bon voyage, monsieur Rodriguez

Bon Voyage, Mister Rodriguez

Every afternoon at four o'clock, Mister Rodriguez steps out of a narrow laneway and strolls through the street. The village children watch him go, ever more curious about the enigmatic old man with the bushy white mustache. Some say they've seen him float above the ground. Others say he played a piano without touching a single key. The truth, though, is more beautiful than any of the children could have imagined.

Renown author Christiane Duchesne and award-winning illustrator François Thisdale bring a touching story about the passing of a beloved member of the community to life with delicacy and heart.

CHRISTIANE DUCHESNE hails from Montreal. She has written for television, film, and radio in addition to her work in children's publishing. Her works *La vraie histoire du chien de Clara Vic* and *Victor* won the Governor General's Award for Children's Literature in 1990 and 1992, respectively. Christiane has also translated over 500 titles, including the beloved Robert Munsch picture books.

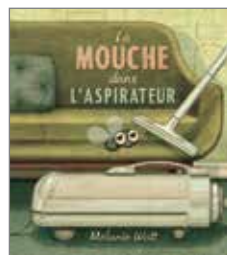

FRANÇOIS THISDALE'S work blends traditional drawing and painting with digital imagery. Meet Tia and Léo, the new members of a rather particular stamp club... or so they think...

N° 2 - Le Rodri-Garou

Fresh from their defeat of Zaralgax the egg-laying, human-snarfing alien, it's business as usual for the members of the stamp club. But when a werewolf who looks suspiciously like Mr. Rodrigue makes off with the school principal, Tia and Léo realize their supernatural problems are far from over. A sinister force of evil has taken it upon itself to destroy the stamp club once and for all. This brand new villain makes Zaralgax seem downright cute (no easy feat — have you seen the guy?) and it's up to Tia and Léo to save their legacy and get Mr. Rodrigue out of a particularly hairy situation.
