

Meets students' individual reading needs—in school and at home!

Transform Students into Confident Readers with a Levelled eBook Library Teachers Can Curate and Customize!

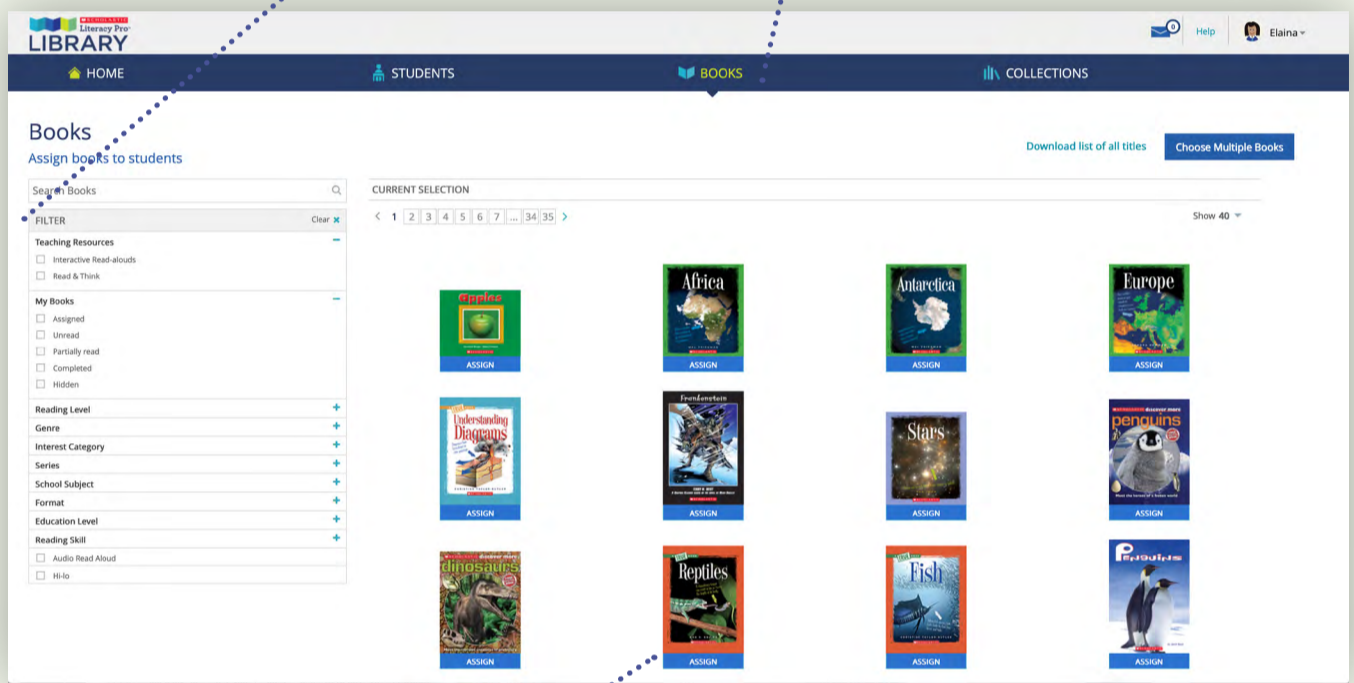

Literacy Pro Library makes it easy for teachers to match students with eBooks at their reading level across genres. The resource includes read alouds with audio support for ELL and younger readers as well as a curated levelled library of digital books that teachers can incorporate in their literacy instruction, or assign for independent reading.

Key Features:

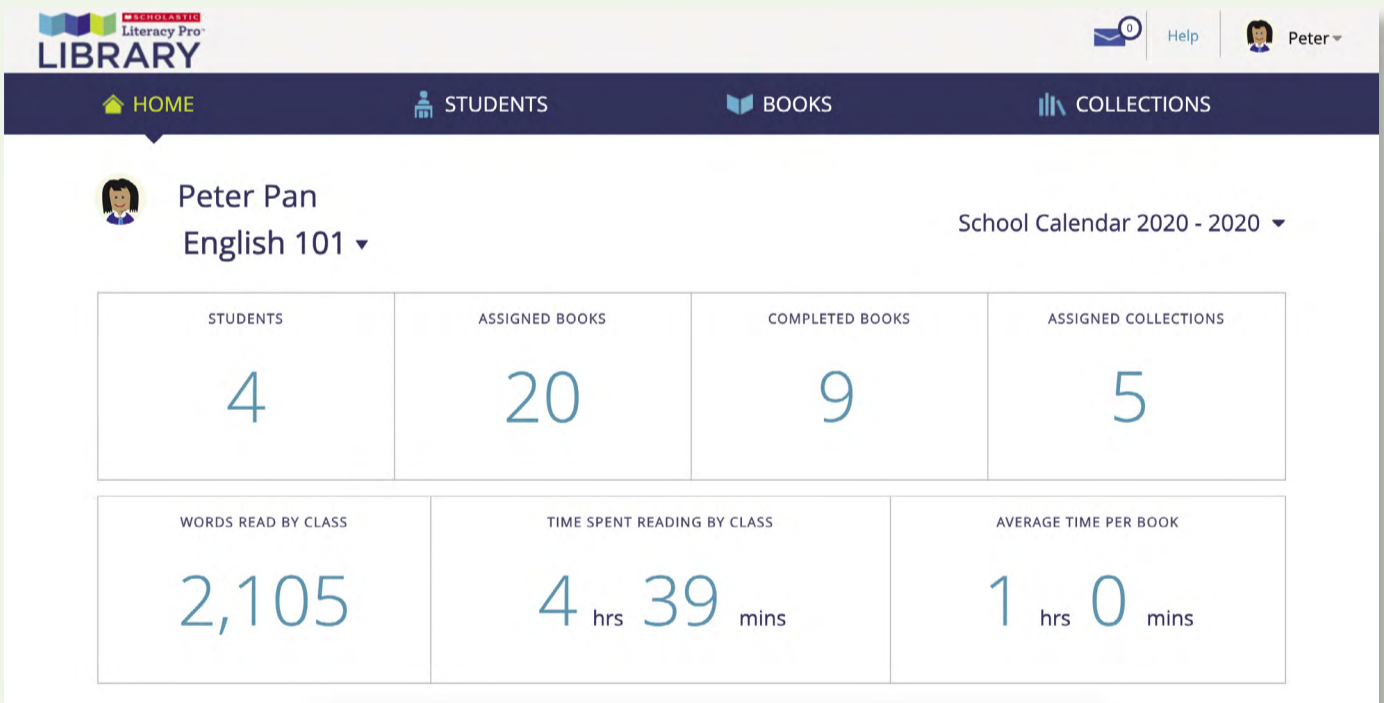

- Over **1,500 levelled eBooks** filled with new and popular titles aligned to student interests
- **250 Interactive Read Alouds** to help teachers conduct read aloud sessions easily in class and remotely
- **NEW** Filter titles by individual GRL
- **50 NEW** short texts plus over 100 levelled *Literacy Place* titles!
- Independent reading practice for every learner with the unique **Read & Think** feature
- **Audio, pictorial support** and read aloud features to help ELL and struggling readers
- Students can record themselves reading and send to their teacher with the **in-app messaging feature**

Find the **Best Books** for every student using search filters like age range, Guided Reading Level, reading skill and more

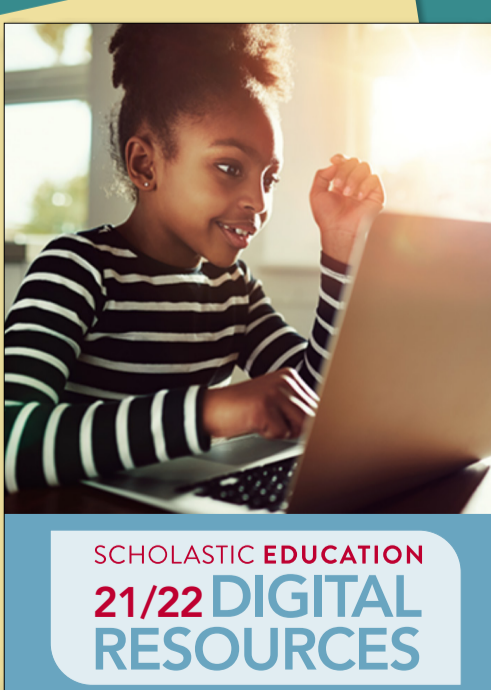

Browse **Collections** of ebooks curated by interest and themes like Mystery, Space, and more

Easily Assign eBooks to the whole class or to individual students
