

Stories That Spark Engagement

For more than 60 years, teachers have trusted Scholastic for elegant and effective education solutions. Short Read Decodables features high-interest, high-quality texts that engage and excite!

- Wide variety of text types across fiction and nonfiction
- Decodable short texts and text sets
- High-interest topics
- Connections to math, science, and social studies
- Connected content-area videos

SHORT READS DECODABLES[™]

90 highly decodable short texts provide instruction, practice, and application of the discrete phonics skills students are learning. These short texts are 75% decodable or more, and target discrete phonics skills by incrementally teaching individual sound spellings.

Card #	Student Card Title	Genre/Text Type	Skills
