# Support your striving readers with 25% off engaging hi-lo series!

**Extreme Hi-Lo** and **Bolt** provide your Grade 4–9 students with age and interest appropriate content written at a lower reading level. These series are great options for independent reading or supported guided reading.

While quantities last!

## EXTREME HI-LO

Engaging science fiction for striving readers in Grades 6–10

Interest Level: Grades 7–10  
Reading Level: Grade 2

**Shadows** is set in the near future, where an alien invasion has left the Earth devastated and a mysterious organization—The Firm—holds power. The series follows the story of Matt Merton who works for The Firm and is trained to identify and hunt the enemy—the aliens among us.

Interest Level: Grades 7–10  
Reading Level: Grade 3

These graphic-novel-style stories centre around **Matt Merton** and his plight to save the Earth from extinction in the aftermath of an alien invasion. Each book offers fast-moving narratives, specially designed text, and thought-provoking themes.

Interest Level: Grades 6–9  
Reading Level: Grades 3–4

These exciting adventure stories feature a trio of computer game designers testing out their work, entering new virtual worlds and encountering exciting and sometimes deadly situations.

The premise of **Dangerous Games** is introduced in Set 1, Book 1, but the titles can be enjoyed in any order.

Grades 4–9

Interest Level: Grades 4–6  
Reading Level: Grades 2–3

Accessible and engaging non-fiction texts with info-graphic content and visual support

**Mighty Bots** (4 books)
