

10 Diverse Voices and Approaches to Promoting Equity

Equity is a term we hear a lot these days, but what does it really mean? How can teachers ensure that every student gets what he or she needs to learn and succeed? Education leaders from around the country share their thoughts through essays that explore topics such as: achieving equity for all students; creating equity awareness in teachers; working with families and communities to close the opportunity gap; setting high expectations to raise academic achievement; and more.

KEY FEATURES:

- Essays by education leaders, including classroom teachers, district superintendents, education professors, and others
- Practical strategies for ensuring equity in the classroom
- Tools to empower teachers to help all their students succeed

ABOUT THE CONTRIBUTORS

The contributors are all people of color—eight of whom are Black, one Latina, and one Asian—who come from different spheres of education. They are professors of education, district superintendents, school administrators, and classroom teachers, as well as educational consultants, including a child psychologist, a social worker, and a strategic sales director for Scholastic.
