In the darkness of the farthest galaxy in time and space is a spaceship inhabited exclusively by mice.

This fabumouse vessel is called the **MouseStar 1**, and I am its captain!

I am **Geronimo Stiltonix**, a somewhat accident-prone mouse who (to tell you the truth) would rather be writing novels than steering a spaceship.

But for now, my adventurous family and I are busy traveling around the universe on exciting intergalactic missions.

**THIS IS THE
LATEST ADVENTURE
OF THE SPACEMICE!**

THE CAPTAIN NEVER GETS A DAY OFF!

It all began on a **QUIET** Friday afternoon. The week was almost over, and I couldn't wait to leave the **CONTROL ROOM'S** headquarters and get back to my cabin. I was exhausted! Why? It had been a **tough** week! What am I saying? It had been a **very tough** week! No, a **terribly tough** week!

I had rescued two lost spaceships, defended the crew from alien **werewolves**, tested a new interstellar spacesuit, and attended the ribbon-cutting ceremony for a new **INTERGALACTIC** art mouseum.

In other words, I had been very, very busy!

Why, oh why does everyone always expect so much from me? Could it be because I'm the captain?

Oh, excuse me! I almost forgot to introduce myself. My name is Stiltonix, **Geronimo Stiltonix**. I'm the captain of **MOUSESTAR 1**, the most mousetropic **SPACESHIP** in the far-off Cheddar Galaxy. But truth be told, my real dream has always been to be a **WRITER**! I have been wanting to write a novel about the adventures of the spacemice for years, but I can't seem to find the time. There's always a **PROBLEM** on the *MouseStar 1* that needs to be fixed.

But let's get back to that **QUIET** Friday afternoon. The weekend was about to start and I had big plans for my Saturday, which was my **day off**!

THE CAPTAIN NEVER GETS A DAY OFF!

I planned to:

1. Get up late and eat breakfast in bed, lazily munching on a **creamy** Gorgonzola muffin.
2. Put on my comfortable and practical casual **uniform**.
3. Get my whiskers trimmed at **BRUSH**, the trendiest barbershop on the entire spaceship.
